中央研究院 112 年度「深耕計畫」計畫書

2023 Academia Sinica Investigator Award (IVA) Grant Proposal

計畫名稱 (中文):

Project Title (English):

計畫主持人 Project PI:

申請單位 Affiliation:

1. Executive Summary and Chinese Abstract

Please address each of the following questions briefly and precisely:

- 1.1 What is the problem to be addressed? Which part of the problem will be solved?
- 1.2 What is your major idea? How innovative it is? How are you going to solve the problem you identified?
- 1.3 How much impact you will make after the 5-year funding period, if the project is successful.

In addition to an Executive Summary answering to the above points in a total of ≤ 250 **English words**, provide also a **Chinese Abstract** based on the above statements in less than 500 words.

2. Summary of Previous Research Accomplishments

Summarize and highlight your previous research accomplishments in the **last five years**. Identify 3 recent publications most representative of your accomplishment that are relevant to the research work to be undertaken in this proposal (reprints to be submitted with the application material). Do not include manuscripts in preparation or submitted.

*The page limit for this section is **one** page.*

3. Research Plan

- 3.1 **The problem to be solved.** Define the identified problem(s), focusing on its importance. Describe the state-of-the-art and identify the current bottleneck. *(about half a page recommended)*
- 3.2 **The innovative ideas proposed.** Define the specific aims of the project. Specifically highlight the innovative approach(es) you propose, including its rationale, originality, and scientific merit. *(about half a page recommended, to be elaborated later in Section 3.4)*
- 3.3 **The potential impact of the work.** Describe how it may lead to a breakthrough and transform the field if the project is successful. Focus on its scientific and/or societal impact. *(about half a page recommended)*
- 3.4 **Plans to test the ideas.** Describe the research approaches in each specific aim. Identify the milestones and the timeline of accomplishing them. Focus on the logic and scientific or technical challenges. Also describe international competitiveness of your project.

*The total page limit for this section including references is **ten** pages; by A4 size, 1 inch or 2.54 cm margins for all sides, single spaced, font: Times New Roman or Calibri, 11 point. Smaller font size 9 or 10 is allowed only for Figure legend and Bibliography.*

4. Changes/Progress made since last Application

Please state if this application is an extension of any of your ongoing or completed grant support, or previous failed application(s) to any of the AS grant program. *You may simply provide a statement or two if this has already been elaborated in the Research Plan section. You can ignore this Section if non-applicable but failure to disclose the relevant information may disqualify your current application.*

4.1 If this is an application to extend or renew your ongoing or completed grant support (provide grant number and title) for related research topics and aims, summarize the major accomplishment thus far and how the current proposal may capitalize on this recent progress to make further advances in the next 5 years.

4.2 If this is an application based on similar research aims proposed in previous round of failed application (to any AS grant type), describe the major changes you have made in response to Reviewers' comments and/or after taking into considerations progress in the field (either your own or others) since the proposal was last submitted. Point-to-point rebuttal is not required.

The page limit for this section is **one** page.

The Total Budget Plan (using Table above) and the descriptive justifications to be provided should not exceed **one** page.

6. Personal Track Record

6.1 Output from Recently Completed (2020-2021) and Current AS Grant Support

List only publications that carry statement specifically acknowledging the relevant AS grant support. (Include Abstract as appeared in the cited publication).

6.2 Biographical Sketch (for Division of Mathematics and Physical Sciences & Division of Life Sciences), or Curriculum Vitae (CV, for Division of Humanities and Social Sciences)

6.2.1 Each Project PI should use the template provided in the next page to prepare their **Biographical Sketch**, which should include among others:

- i) a **Personal Statement** - brief self-introduction of research path/career in 200-300 words;
- ii) **Contributions to Science** - a summary of major research achievements by referring to selected key publications and other forms of contributions, their significance and impact;
- iii) **Complete/Selected List of Recent Publications** - selected key publications can be combined with a more complete list of publications in the last 5 years, but keep to the total page limit

6.2.2 For Project PIs in Division of Humanities and Social Sciences using an alternative CV format, the content should include Contact Information, Current Affiliation and Title, Education and Professional Experiences, Research Interests, Awards and Honors, and Selected Publication List.

個人簡歷 應含聯絡資訊、所屬單位與職稱、學經歷、研究領域、獎項及榮譽、代表性著作目錄

*This section including list of publications should not exceed **four** pages for each Project PI.*
